WELS CONNECTIONS

The February *WELS Connection* video highlights the new hymnal, which is being released by Advent 2021. *Forward in Christ* magazine continues the story by digging deeper into the pieces that make up a hymnal (p. 10). This article will connect well with the new hymnal preview booklet that all congregations will receive in February.

Our cover story this month features new outreach opportunities for WELS in South Asia. Learn more about how the message of Christ is being shared in this land where only 1 in 300 people is a Christian. You'll also meet "Asad," a man not afraid to let his light shine in a refugee camp (p. 18).

p. 7

Meet Delaney Leffel in our "Confessions of faith" article this month. Delaney, a college student at Colorado State in Fort Collins, is now involved in her congregation's new campus ministry (p. 7). With WELS Campus Ministry celebrating its 100th anniversary this year, it's a good time to remind members about the importance of supporting your congregation's college students.
