NEW RESOURCES FOR PARENTS AND TEENS

Forward in Christ has two new pages on its website to help you share relevant articles with different members in your congregation:

➤ Provide support to parents in your church and school through *Forward in Christ's* parenting column, "Parent conversations." Access years of perspectives from Christians parents on topics ranging from discipline to gender confusion to sibling rivalry. In addition to articles, "Parent conversations" also provides videos and podcasts featuring interviews with Christian parents and Christian counselors. forwardinchrist.net/parents

➤ Check out a monthly parenting column (available online or as a downloadable PDF) for your church or school to distribute to parents as handouts or through e-mailed newsletters.

➤ Offer your teens an opportunity to read articles written by teens and for teens on topics that matter to them. Encourage young members of the church to share their stories with *Forward in Christ*. forwardinchrist.net/teens
