## WHAT'S INSIDE AND ONLINE!

We're halfway through our first live, online Bible study series, which corresponds with Greg Lyon's six-month Bible study "What if it's true . . ." (p. 32). Hundreds of people have joined Lyon online to discuss scriptural truths and how they impact our lives in tangible ways.

A women's growth group from Immanuel, Greenville, Wis., even joins in. Jenny Fuerstenau, the group's leader, says, "Our growth group is one of about 25 groups at our church that are designed to help members stay connected to each other. The ages of our participants range from 22 to 61. It was my idea as the leader to try this Zoom study. The topic looked like something our group would enjoy wading through. And it did generate lots of questions and discussions afterwards. We set it up in my home, where we usually meet. I connected my computer to a TV via an HDMI cord and used an external speaker for better sound. It is great for group leaders to have an alternative to choose for leading a group study."

### "WHAT IF IT'S *true*... THAT YOU ARE FORGIVEN"

The next live study is at 7 P.M. CT, April 30. Let your members and group leaders know about this unique Bible study opportunity.

### WELSCONNECTIONS

In April's *WELS Connection*, discover how a one-day camp at Christ Alone, Dardenne Prairie, Mo., works to teach children about the compassion that Jesus has for them and how they can express that compassion to others. You can see more examples of how congregations reach out with Christ's love in their community in this month's *Forward in Christ* (p. 14).

## EXPLORE APRIL 2024 ARTICLES

Jason Strong takes us to the garden that held Jesus' tomb, reminding us that the beauty in death is that it's not the end (p. 10).

"Cancer can never win. Christ is risen!" See how a pastor who lost his earthly fight with cancer won the gift of eternal life (p. 18).

Why is the physical resurrection of Jesus Christ from the dead so important? This month's "Please explain" answers this key question (p. 30).
